

ENABLING CONTINUOUS SUCCESS. WE'VE GOT YOU COVERED.

BE PROACTIVE, NOT REACTIVE

Do you have a **Center of Excellence (CoE)** set up to support your Anaplan journey?

- With Anaplan's dynamic and flexible platform, you need an agile and strong team to mold and adapt to the needs of the business
- A CoE provides a way to keep models healthy and up-to-date, ensures end user happiness, and continuously improves your Anaplan ecosystem

Subscribe to a monthly plan with **Continuous Success Services (CSS)** to increase your Anaplan ROI and accelerate productivity by

- Managing and implementing enhancements
- Troubleshooting and resolving defects
- Advising on CoE processes
- Educating on platform updates and model building best practices

BENEFITS OF OUR GROUP

1

KNOWLEDGE EXPERTISE

- Access to a team with breadth of experience trained to support specific Anaplan models

3

STAYING INFORMED

- Stay up to date on new Anaplan features and receive guidance to maintain a healthy model

2

GREATER TRANSPARENCY

- Keep open communication through regular updates and robust reporting
- Collect streamlined documentation of model processes

4

PEACE OF MIND

- Ensure someone will always be available to tackle issues quickly
- Increase bandwidth of internal resources to focus on value-add strategic work
